

## What is covered?

After completing the course students will be able to: use correct taping for sports injuries and lymphatic taping techniques. Students will be equipped with a variety of skills and techniques depending on the client's biomechanical presentation. Students will also be able to identify when taping is not suitable and communicate the risks and benefits to their clients explain how kinesiology works in both clinical terminology and more importantly terminology that is appropriate for their client to understand.

### Duration

5 Days

### Location

3/31 Fortune Street Narrogin WA 6312

### Provided by the RTO

To support your studies, we will provide:

- An online interactive digital platform with all the learning resources.
- Issuance of certification documentation upon successful completion.
- Ongoing support and help (please check on our website for specificity).
- Research database to conduct research for assignments.

### Course Fee

\$1700

(No additional fees. Please refer to our refund policy found in your enrolment form for further details).

### Additional Resources

Students need to purchase a uniform.

Internet and a computer are required for this course.

Students will need to purchase the required textbooks.

Students can purchase optional kits including:

- Massage Kit (\$550)
- Taping Kit (TBA)

The kit's will be beneficial for at-home practice.

### Any new information for the student

For more information, please read through the student handbook. Students must be aged 18 or older.

### Mode of Assessment

The delivery of the course will be blended learning.

The theory will be delivered online. You will have a designated lecturer assigned to assist you.

The practical components will be delivered on campus.

The on-campus training will be announced closer to the time.

The practical hours are to be completed in the student clinic. Please contact your lecturer to find a regular time for you to come in for your clinic hours.

The hours are dependant on the clinic opening hours.

The hours can only be completed once you have passed the unit of competency for that unit.
